GRANT OF LICENSE

Subject to acceptance of the manuscript following peer review, the Author(s) retain full copyright of the Article and grant the Journal a non-exclusive, worldwide, royalty-free, perpetual license to publish, reproduce, archive, distribute, and promote it in any format or medium. The Article will be published under the Creative Commons Attribution License (CC BY 4.0) unless otherwise agreed in writing, permitting others to read, download, share, and adapt the work with appropriate credit to the Author(s) and the Journal.

AUTHOR WARRANTIES (please check each box to confirm)

- ☐ 1. This is an original work, not previously published, and not currently under consideration by any other journal or publisher.
- ☐ 2. All listed authors have contributed substantially, approved the final manuscript, and consented to authorship; the Article does not infringe any third-party copyright or intellectual property right, and permission has been obtained for any third-party material used.
- ☐ 3. Where the research involves human participants or animals, appropriate ethics committee/IRB approval and informed consent were obtained; where identifiable patient material is included (photographs, case details, etc.), separate written consent for publication has been obtained and will be provided upon request.
- ☐ 4. The Article contains no fabricated, falsified, or manipulated data; any use of AI tools in its preparation is disclosed; and all conflicts of interest relevant to the Article have been disclosed to the Journal.

The signing author confirms authority to execute this Agreement on behalf of all listed authors, who are aware of and agree to its terms. The Author(s) agree to indemnify the Journal and Mak Hill Publications against claims arising from breach of the warranties above. This Agreement is independent of, and does not affect, any Article Processing Charge obligations, and is governed by the laws of _____.
